EXPERIENCE

Minor Project

2023/07/10 - 2023/10/10

The Minor Project titled "School Management System" is a web-based application developed using HTML, CSS, and JavaScript. This system aims to streamline various administrative tasks within a school environment, including student enrollment, attendance tracking, grade management, and communication between teachers, students, and parents

Major Project

2023/11/20 - 2024/02/20

The School Management System project is a web-based application developed using HTML, CSS, JavaScript, PHP and XAMPP. It serves as a comprehensive platform for managing various aspects of a school, including student notice, student admission, grade management, teacher schedules, and more.
